**Kentucky State University
Campus Visit Report**

ACTION: The Council staff recommends that the CEO adopt the report of its campus visit to Kentucky State University, February 20-21, 2007, and that the report be forwarded to the KSU president along with a request that a report regarding its implementation be given at the June 18, 2007, CEO meeting.

The Committee on Equal Opportunities is charged with monitoring institutional progress toward implementing *The Kentucky Plan for Equal Opportunities* and the Partnership Agreement with the U. S. Department of Education's Office for Civil Rights. Monitoring is completed through data analysis and campus visits.

The CEO visited Kentucky State University, February 20-21, 2007, to meet with campus leaders, students, faculty, and other members of the campus community. The meetings were designed to give committee members an opportunity to hear from selected members of the educational community. Campus visits are not meant to gather scientific, empirical data, but rather to learn first-hand about the success of equal opportunity plan implementation on the KSU campus.

A representative of the university will be asked to give a status report on the implementation of recommendations at the June 18, 2007 meeting.
